High School Student Council Report – Kate Mullin

- Student council is set up and running with an executive and some committees.
- Upcoming events include:
 - o Giving Tuesday- students will be going to the pre-school at the Church
 - o 12 Days of Christmas
 - o Food Bank drive
 - o Decorating brown liquor bags re drinking and driving
- Glenys suggested getting some of these events into The Bugle

New Business:

1. Student ID Cards – birth dates are included because many students use these as a photo ID, for example for travelling. It was suggested by Mr. Leatherdale that the kids be reminded that they include personal information and they should be protecting the cards and the information on them.

Old Business:

COSC recommendations for ongoing discussions regarding school fees, including transparency and anticipating costs of electives.

There is a new executive and they had a meeting last week. Administration is looking forward to working with them. CPF supports both the Quebec trip and the DELPH Exams.
