Day 1

NEW INFORMATION

If you have not registered your car information with the office, please do so as all vehicles on school property must be registered through the office for parking.

Also a reminder to be a great neighbor. There is no parking at the store or at Ardrossan Automotives. You will be towed as this is private property.

Student council is hosting a winter photography contest as part of the Winter Carnival Event this month. All are welcome to enter. If interested, look for more information on the posters throughout the school. The last day to submit your winter themed photo is February 23rd.

Any students planning to rewrite a Diploma exam in April, please see Student Services to be sure you are on the list of students writing at Ardrossan.

Our student council is putting on a fun winter carnival event today at lunch in the court yard. Come to the courtyard at lunch to blow some bubbles and watch them freeze right before your eyes!
