Day 1

## NEW INFORMATION

Have you noticed the glass jars around the school for our pop can tab collection? Please start putting your pop can tabs in there! We'll be looking for donations the entire school year so you could also start collecting them at home and bring them in. They go towards helping families less fortunate pay for diabetic equipment.

Attention students interested in the Bamfield marine biology trip to Vancouver Island in October: there are only 1 spot left for this field trip. See Mrs Hoffos for information.

Attention to all ART 10-20-30 students. Today is the last date to register for this year's art show, sale and competition put on by the Strathcona Art Society.

There are still spots remaining and students are now able to enter a second piece of artwork!

## GRAD INFORMATION

This is a reminder to send in your baby photos for the baby slideshow for grad.
