### Summer School Credit Courses

Summer school is an opportunity for students to free up room in their timetables for other courses or to upgrade marks. Our courses are open to high school and mature students from within and outside the school division.

Contact Next Step Continuing Education at 780-467-7292 or click [here](#) for more information.

### Access to Student User Accounts for Students Leaving EIPS

If your child is graduating from or leaving EIPS at the end of the school year, they must ensure any information in their school accounts they wish to retain is downloaded onto a personal device or stored on a removable disk (for example, a USB key or portable hard drive) before leaving. Any files saved on their personal share drive (Z:) will need to be downloaded prior to the last day of classes on June 28. Any content in their Google accounts will need to be downloaded prior to September 1. Google files can be downloaded individually or in bulk with Google Takeout, <https://takeout.google.com>. All remaining information will be deleted and access to these accounts will be deactivated after these dates.

Ardrossan Junior Senior High School will be collecting new and gently used, backpacks to be used as Blessing Bags.

Blessing Bags are backpacks that will be stuffed with items to help the homeless get through the day.

Instead of throwing out your used backpacks, let's save the planet and reuse them for Blessing Bags for the homeless.

Please drop off your new or gently used backpacks in the office.

Right now we are only collecting backpacks. Items to stuff the backpacks with will be collected in the fall.
