Our School Virtues

Our four school virtues are:

- Respect
- Loyalty
- Commitment
- Integrity

If you are able to recite these,
good things will come your way!

How is Junior High Different from Elementary School?

- 84 minutes classes
- Students move between classrooms
- Day 1 and Day 2
- Yearlong-Core-every 2nd day
- Semester-Option/CTF classes
- No recess - Two 7-minute breaks

How is Junior High Different from Elementary School?

- Sports teams
- Drama & Band productions
- Bigger kids
- Variety of teachers
- Cafeteria
 - Early dismissal (11:32 or 11:06) for September
- Lockers

Digital Citizenship and Devices

- Students MUST have permission to take photographs on personal devices
- Students who choose to bring electronic devices do so at their own risk
 - Students may leave their device at home, in their locker or in the bin/pouch supplied by the teacher
- Parents/guardians wishing to contact their children please do so outside of class time or call the office

Digital Citizenship and Devices

- If a student accesses their device during class time, the following steps should occur:
 - 1st occurrence: Student asked to place cell phone in envelope, seal it and place on teacher's desk. Teacher to return it at the end of class.
 - 2nd occurrence: Student asked to place phone in envelope and take it to office. Administrator will return it at the end of the day.
 - Any further occurrences: Student will be asked to place phone in envelope and take it to the office. Phone will not be returned to the student at the end of the day and the parent will be asked to pick it up. When the parent arrives, they will meet with the grade administrator to create a plan which could include keeping device at home or drop off and pick up in office at beginning of the day and end of day.

Attendance

- Parents – Please let the office know (phone or email) if your child will be late or absent
- Let the office know if your child is getting picked up early and ask your child to check out at the office before leaving
- Please also ask your child to check in at the office if they arrive late for a class

Attendance

- **Extended Student Absences**
 - Families are strongly encouraged to schedule extended absences (i.e. vacations, etc.) **outside the instructional days** mandated by the EIPS school calendar. If families plan extended absences, then parents are asked to inform the **school office** in advance of the absence.
 - Students are expected to discuss and complete the missed coursework at the earliest possible time.

Keeping a Schedule

- Clearly decide how much time you need to spend on your homework/study
- Think about chores, TV, leisure time
- Mark down activities such as music, sports, clubs, dance, etc.
- Design a schedule and try to stick with it for a week

How Can Parents Help?

- Set a consistent time for your child to spend on homework/study
- Provide a calm place for your child to study
- Check your child's binders for organization
- Look at your child's notes each day
- Ask specific questions about what your child is learning
- Encourage your children by talking about, and showing your appreciation for their **efforts**

Supporting Social and Emotional Learning

Brain Development

Supporting Brain Development

- Role modeling self-regulation
- Discussing emotions and strategies
- Allowing them to fail
- Validating emotions in times of discomfort
- Empowering them to take positive risks
- Encouraging self-discovery
- Helping them identify strengths

When someone says or does something
unintentionally hurtful
and they do it once, that's
RUDE.

When someone says or does something
intentionally hurtful
and they do it once, that's
MEAN.

When someone says or does something
intentionally hurtful and they *keep doing it*-
even when you tell them to stop or show
them that you're upset—that's
BULLYING.

Closed Campus

- All junior high students are required to remain on school grounds during the school day. Must sign out at the office if leaving.

PowerSchool

- PowerSchool Portal – your private password remains with you until graduation
- Allows parents and students access to school fees, payments, attendance, assignment descriptions and due dates, and student progress
